

As we approach the New Year I would like to take this opportunity to thank Pete Yaksic for another year of outstanding support to Hale Kamaole. His dedication and untiring effort has resulted in our complex continuing to be maintained at the highest level (especially as we pass our 35th year). I also thank the untiring effort of our Board members. Our Treasurer, Bruce Gebhardt, has devoted many hours to the maintenance of our finances and numerous adjunct situations requiring good management decisions. Thanks to Mark Lane for keeping our records up to date and handling all the Secretary duties. To Donna Desmond I say thanks for the watchful eye that has allowed us to brag that we have one of the best -maintained grounds. We owe a special thanks to Terry Pennington for developing and more important, maintaining our Web site. Each of the other members of the Board have contributed their time and input on all our deliberative efforts and have served Hale Kamaole well.

To all the Homeowners, thanks for your patience and understanding as we responded to your problems and suggestions. It has been another successful year, in all aspects and we should take great pride in being a part of a great team.

May all of you enjoy a wonderful and especially a healthy New Year filled with happiness.

And yes! The sidewalk is coming!

Your President ,

Joe Hess
